

TRAFFIC AND NOISE ADVISORY

State Street/University Parkway Grade Separation

June 21, 2007 Traffic Advisory #3

Please be aware of construction activities and flagmen working during the State Street/University Parkway grade separation project in San Bernardino.

- **Ongoing through July**

Pile driving will continue on large steel support columns for the State Street/University Parkway bridge. Residents, businesses and drivers near the construction site may hear loud, repetitive noise between 7am and 3pm, Monday through Friday, throughout the month of July, excluding July 4.

- **Beginning this week and continuing through September**

The movement and storage of construction materials along Cajon Boulevard will result in brief, periodic lane closures between 7am and 3pm, Monday through Friday, for the next four months, excluding holidays. Flagmen will be on the road to assist with directing traffic.

San Bernardino Associated Governments appreciates your patience during construction of this new bridge. Please allow extra time when traveling through this area and follow all flagmen directions, signs and detour routes.

For more information, please visit www.sanbag.ca.gov and click on the "Active Projects" section or call (909) 875-6029 x216.

Project Benefits...

- ▶ **No more waiting for trains!**
- ▶ **Easier access to homes, businesses & Cal State**
- ▶ **Improved air quality**
- ▶ **Safer intersections**
